- Suction feet for no vibrations during use
- 2 year warranty

Everyday versatility

- 2 speeds and Pulse settings to choose from
- Large jar perfectly sized for your family's needs
- Download the NutriU app for healthy, tasty family favourites

PHILIPS

Highlights

ProBlend system

Unique ProBlend system perfectly combines 3 technologies, custom-designed to ensure smooth blending with no lumps in just 45 seconds*. The 600 W power motor drives the blending flow to circulate all your ingredients evenly, while the innovative blade design is specially shaped to maximise the cutting area. Last but not least, the jar is designed with unique ribs to continuously guide ingredients back into the blending flow.

Ice crushing

Use the ProBlend system plus the Pulse setting to crush ice cubes into fine pieces in just 45 seconds**. Perfect for your favourite chilled drinks and smoothies and great for special desserts.

Multi-speed settings

Produce a wide range of drinks and enable fast ingredient preparation for your favourite meals with 2 speed and Pulse settings to choose from. Use for ingredients from herbs, spices and veggies, to grinding coffee and even

crushing ice to make a delicious chilled smoothie.

2 L family size jar

Serves up to 6 drinks (based on 200 ml glass size) thanks to 1.25 L effective capacity.**

NutriU app

Download and discover the NutriU app with 200+ ideas on how to make your favourite drinks, meals and snacks with the help of your new blender. Healthy cooking should be simple and leave your family wanting more. That is why the NutriU app offers a variety of healthy alternatives of your favourite dishes. From healthy chocolate desserts to nutrient-packed main meals, we create our recipes healthy but without compromising on delicious taste.

Motor Thermo Protection sensor

Special Motor Thermo Protection (MTP) sensor is designed to prevent the motor from overheating and protects from over-current condition during use.

Considered design

The design has been carefully considered to be both ergonomic and robust, while also being modern and stylish, sized to fit in all types of kitchen. The jar shape is comfortable to grip and the rotary knob enables easy operation.

Stainless steel blades

Durable stainless steel blades stay sharp and free from rust or tarnishing for longer.

Anti-vibrate feet

The blender features suction feet for stability and to ensure it doesn't vibrate during use.

Warranty

For additional peace of mind, the blender comes with a 2-year warranty.

Specifications

Country of origin

- Made in: China
