

Product computer case

M/B support mATX

Color black

UE-02B the budget solution! – The new mATX case of CHIEFTEC proves that neither great design nor sophisticated technology has to be expensive. The all-black chassis sits on a modern stand which gives it an additional corporate touch. Optionally, a factory pre-fitted and silently running SFX-250VS (250W) power supply is shipped with the chassis, designed to accommodate up to four expansion cards at half-height and if required, two 8 cm cooling fans.
